

# Directions to Graham Hall at the University of Delaware

## **From Wilmington:**

Take Interstate 95 South.

Continue on Interstate 95 South to Exit 3 (Del. Rt. 273). Exit onto Rt. 273 west (bearing right on exit ramp) and continue into Newark (this two-lane road becomes East Main Street just after intersecting with Del. Rt. 72). Once on East Main Street, move into the left lane, go through three stoplights, and at the fourth stoplight you'll turn left onto Academy Street.

Graham Hall faces Academy Street on the left, just past the Delaware Avenue intersection. For visitor parking, continue on Academy Street and look for the Academy parking garage, the entrance to which is just past Perkins Student Center (on your left). We will have parking validation available for those who park in the garage. Or you may be lucky enough to find on-street metered parking nearest Graham Hall (you must pay the meters though).

## **From Points South:**

Take Interstate 95 North.

Continue to exit 109B (Look for "Elkton/Newark, Del." and "University of Delaware" signs).

Exit at 109B onto Md. Rt. 279, which heads northeast towards Newark. At the Maryland-Delaware state line, Rt. 279 becomes Del. Rt. 2 (Elkton Road) and feeds you directly into Newark. Elkton Road will eventually end and force you to take a right turn onto Delaware Avenue. At your second stoplight, you're at the intersection of Delaware Avenue and South College Avenue. Proceed to your next intersection. Turn right onto Academy Street. Graham Hall will be on the left. For visitor parking, continue on Academy Street and look for the Academy parking garage, the entrance to which is just past Perkins Student Center (on your left).
