Dear Source Water Protection Supporter:

January 24, 2008 CTAC Meeting Cancelled

Thank you for your continued support of the Source Water Assessment and Protection Program. I regret to inform you that the meeting of the Citizen and Technical Advisory Committee (CTAC) previously scheduled for January 2008 has been cancelled. We are looking to schedule a meeting in March at this time.

Another CTAC meeting announcement will follow in February along with a preliminary agenda of items to be discussed. However, if you should have any items for the agenda please feel free to contact us by February 8, 2008.

If you have any questions in the meantime please contact either John Barndt or myself at 302-739-9945.

Sincerely,

A handwritten signature in cursive script that reads "Douglas E. Rambo".
